[PERSONAL STATEMENT]

A NOTE ABOUT MARCO

I am a passionate visual artist and content creator with nine years of experience as a Graphic Designer for prominent television news groups, including ABC and CBS. Throughout my career, I have also excelled in advertisement, instructional design, and desktop publishing. In every role, I have honed my skills and embraced new challenges, becoming a versatile and adaptable designer. I am now seeking new opportunities to further my growth and expand my expertise in the field of design.
